Why we collect and use this information.

Sefton Council are asking people to have their say about an extension of the Public Spaces Protection Order (PSPO) across coastal and visitor areas.

A Public Space Protection Order allows the Council to take official actions under the law.

It is used to tackle behaviour that spoils the quality of life for the local community in an area.

IP addresses that identify computers.

- The IP addresses are collected to make sure only one response per resident is received.
- Once this is checked the IP address information is deleted.

Postcode.

- These help us to know where people are responding from and if we need to do more to reach people in other areas. It also helps us to see if some areas are more affected than others by problems.

Equalities Questions.

These are collected to show what groups of people are responding to the questionnaire.

This also lets us know if we need to use different ways to contact groups of people who are not responding.

How long we keep your information.

The IP address will be deleted immediately after the checks are done.

The equalities and postcode information will be kept until the information has been looked at and a report written.

How we use the information and who we share the information with.

The information collected in this questionnaire will only be used as numbers in the report and to look at themes.

No information is collected that tells us who you are.

Storing the information.

All information is kept safe.

Sefton Council follows the laws around data protection.

The laws.

We need to make sure we:

- Only ask the questions we need to in the questionnaire.
