

## Public Spaces Protection Order Coastal and Visitor Areas 2025.

Sefton Council are asking people to have their say about an extension of the Public Spaces Protection Order (PSPO) across coastal areas.

Coastal areas include:

- beaches.
- sand dunes and grassed areas.
- woodlands and marshes.
- ponds and lakes.
- promenades.
- car parks.
- play areas.
- buildings like toilets and shelters.

A Public Space Protection Order (PSPO) allows the Council to take official actions under the law.

It is used to tackle behaviour that spoils the quality of life for the local community in an area.

We would like to hear about your experiences of anti-social behaviour and what rules should be in place for Sefton's beaches, coast and visitor areas.

You can complete the survey at [Your Sefton Your Say](#). Use this QR code to go to the website.

Look for Coastal and Visitor Areas Public Spaces Protection Order 2025 Survey.

The consultation is open from Thursday 24<sup>th</sup> April until Thursday 15<sup>th</sup> May 2025.
